Im writing to you to ASK you
A Couple of Questions. I had a
Family member go to the Clerk
of the Courts. To get me A updated
docket sheet to see what MR
Dershaw wrote AS his final
report of no distribution. MR
Frank if he's saying that no Assets
exist, and that he fully Administered
he says key information about this
Case as reported in or otherwise
found in the Case record. This
Case was pending for 7 months,
so if nothing exist why is he saying
\$18869491676.52. Claims Assets
are Exempt? Then he's saying
Claims Scheduled \$11396.00 Claims
Asserted. NOT Applicable, Claims
Scheduled to be discharged without
payment (without deducting the value

(2)

of collateral or debts excepted from discharge) \$11396.00. So I'm saying this amount that he's claiming as exempt \$18,869,491,676.52 has to be the statement of accounts, because I ~~did~~ didn't write that down on my schedules. So who is this \$11396.00 scheduled to be discharge to? and how can that be possible if nothing exists? MR Frank I would never have saw his report if my family member didn't come down there to get me a docket sheet. Cause noone sends me none this is why I'm kinda in the dark. Because the whole time MR Bershaw was appointed 2-8-17, I only had one dealing with him, that was the 341 meeting on 8-16-17 he never sent me any notices or anything up until that date 8-16-17. Enclosing I want to thank you for your time on this matter. MR Frank these figures had to come from somewhere. \$18,869,491,676.52 / and \$11396.00. So how can he say nothing exists?
